Connect with your New Home Builder

Option 1: Scan Home Builder Representative QR code (preferred method)

- Ask your Home Builder Representative for their QR code.
- Open your Builtzer App to use the QR scanner and engage with your Home Builder Representative directly.
- Builtzer will ask you a question or two, then you'll be connected!

Option 2: "Like" a Home Builder's profile

- Select your Home Builder's profile.
- "❤️" the profile to connect with the selected Home Builder.
- You'll be alerted when a Home Builder's Representative is assign to you.

IMPORTANT!

If using option 2, the heart must turn **red** to properly connect with a Home Builder!
